Purple Homes Kick Off Event

Founded in 2008 by Dale Beatty, and John Gallina who both were severely wounded in Bayji, Iraq in 2004. Purple Heart Homes is a Veteran Owned and Operated Non-Profit organization that helps adapt and build homes for severely injured veterans. The organization is made up of volunteers from all walks of life.

On Wed. January 18th Royal's color guard opened the kick-off ceremony and volunteer registration for Manny Jimenez, a veteran who lost his arm, part of his vision in one eye, and hearing in one ear.

Purple Heart Home will build Manny a home adapted to his needs in Glastonbury. There will be sign-up sheet for anyone interested in volunteering. You need not be "experienced" to help. Beatty and Gallina explained there will be opportunities for any and all skill levels. If you have questions about the program or want to volunteer outside of the squadron please call **Vicki Thomas at 203-984-2138**

Congratulations

Congratulations to Rebecca Green on earning her *Instrument Rating!*

An instrument rating is required to fly in instrument meteorological conditions (IFR), when visibility is less than one mile and through clouds.
