1 January 2019

CAPR 70-1, 4 DECEMBER 2017, IS SUPPLEMENTED AS FOLLOWS:

Paragraph 2. Applicability. This regulation applies to all CAP aircrews and all CAP aircraft as defined in this regulation. This regulation does not apply to CAP corporate aircraft flown by CAP-USAF personnel, aircraft released to an approved fixed base operator (FBO) or aircraft maintenance facility, or other non-CAP member use approved by the CAP-USAF Director of Operations (CAP-USAF/DO). All CAP personnel involved in CAP flight activities must comply fully with the requirements of 14 CFR, as well as with the additional CAP-specific standards stated in this regulation. All CAP members must understand that flying CAP aircraft is a privilege, not a right of membership. Commanders have overall responsibility for compliance with these procedures, which are applicable to all CAP units.

Paragraph 2-2.c Added. Wing Commander has granted authorization for flights to destinations outside the Wing's boundaries, but within the boundaries of the Northeast Region.
